

# Graphing Calculator Rental Program

A supply of Texas Instrument graphing calculators (TI- 83, TI-83+ and TI-86) are available to rent for the semester from the MARC to any MtSAC student meeting the minimum qualifications.

The rental charge is \$20.

## **Steps for rental**

1. Check the minimum qualifications. If you meet them, get a rental application at the MARC/TMARC, Bldg. 61-1318 or 1314. You must read, understand and sign the rental agreement before a calculator will be issued.
2. A supervisor will contact you once the application is processed to inform you of approval or rejection. This may take at least two days.
3. If approved, bring the exact **cash** (rental fee) and current mtsac ID to a MARC/TMARC supervisor.

## **Minimum qualifications**

Student must be enrolled in a math 51 or higher class.

Student must have at least a 2.0 G.P.A.

Student must have no financial obligations with the college.

Student must have current Mt. San Antonio College picture identification card.
